

City Centre Chiropody

Taking care of
your feet

City Centre Chiropody

City Centre Chiropody is a HPC[†] registered practice committed to the professional care of your feet.

From pain to pain-free

67% of people in the UK suffer from foot pain during their life time. Are you one of them?

We want to bring your feet back to health and give you back the comfort you desire.

Our experienced Chiropodists/Podiatrists will provide you with a high quality personalised treatment; undertaken in a relaxed and friendly environment.

[†] HPC Health Professions Council, is an independent, UK-wide regulatory body responsible for setting and maintaining standards of professional care.

Caring for you...

City Centre Chiropractic can provide you with one - off treatments, routine maintenance, or long term care for conditions such as arthritis, diabetes, or impaired circulation.

Treatments

- Repair and prevention of corns, calluses and cracked heels
- Nail maintenance, ingrown toe nails, and surgery
- Verruca, and fungal infection recovery
- Foot care and foot wear advice
- Leg length measurements
- Biomechanical and orthotics advice for sufferers of: bunions, heel pain and fore foot pain

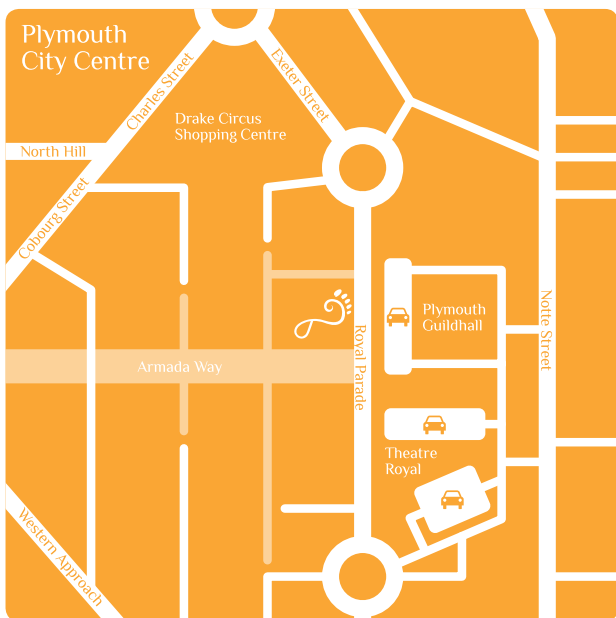

What can you expect?

An initial 45 minute in-depth assessment

- Diagnosis of your ailment
- High quality, personalised treatment
- Post treatment advice and care plan

All subsequent consultations last 30 minutes each.
